

Hello Actors:

As you may know, OutCast's 2022 Season is a season of brand new work, including a revised script from Whidbey Island's own Meg Noble Peterson, titled *Thank You, Dear*. This will be our staged reading this season with a limited rehearsal schedule and two performances on June 25<sup>th</sup> & 26<sup>th</sup>. Patricia Duff will be directing. While some roles have been precast, there will be an open audition for two roles for women who can play within the age range of 40-60, on Monday, May 16<sup>th</sup> from 6-7:30pm.

*Thank You, Dear* is set in the mountains of New England at a family cabin where the three adult daughters of Alice come to spend the weekend with their mother, who they are afraid is slowly experiencing mental decline. They are joined by a cousin, who exposes a family secret. This will be a cold-read audition with sides from the script. Please plan to come at 6pm and stay if possible, for the entire time in case the director wants you to read more than once.
